

# SIMMONS COMPREHENSIVE CANCER CENTER/ TOUCHSTONE DIABETES CENTER

## OBESITY & CANCER RESEARCH RETREAT

**Keynote presentation:** “PI3K Pathway at the Intersection of Obesity, Metabolism, Oncogenesis, and Cancer Therapeutics”

**Lewis C. Cantley, Ph.D.**

Director, Sandra and Edward Meyer Cancer Center  
Weill Cornell Medical College

### UTSW Speakers Include:

Rolf Brekken, Ph.D.

Emina Huang, M.D.

Puneeth Iyengar, M.D., Ph.D.

Shuang Liang, Ph.D.

Amit Singal, M.D.

Anne Gilmore, Ph.D.

Rodney Infante, M.D., Ph.D.

Simon Lee, Ph.D., M.P.H.

Philipp Scherer, Ph.D.

Jin Ye, Ph.D.

The objective of this retreat is to review the portfolio of research in areas related to obesity, metabolism, and cancer so that we can identify collaborations, opportunities, and additional investments aimed at addressing the impact of obesity and cancer in our catchment area.
